Subject: FW: Relocation of Data usage officer to PDO Quetta

Dear Dr Zainul,

As verbally discussed with your good-self, this is to request your formal approval **to relocate currently working District Data Usage & Risk Assessment Officer to the position of Provincial Data Officer in Quetta.**

That individual would be now relocated to Provincial Level since he possesses a good work experience as per the demand of the program, secondly the position of District Data Usage & Risk Assessment is only one position across the CBV provinces. Therefore, after we relocate this individual to the position of Provincial Data Officer we may abolish the district level position later, if management decides it.

The Provincial Team Lead Balochistan has reviewed and requested for this relocation after the position of Provincial Data Officer is vacated on 31st Jan 2024.

The current salary of District Data Usage Officer is PKR 158,944 / month however, after he is relocated to Provincial level position the salary would be PKR 163,465/ month. It would be increase of PKR 4500 only in his current salary.

Below table has the highlighted positions Balochistan CBV under , however organogram of CBV positions is also attached.

Province	Position Title	Filled	Vacant	Grand Total
BALUCHISTAN	Admin & Logistic Assistant		1	1
	Area Supervisor	775		775
	CBV Officer	3		3
	Community Health Worker	2956	4	2960
	Data Assistant	18	2	20
	District Data Usage & Risk Assesment Officer	1		1
	Provincial Data Officer		1	1
	TDOSO	14		14
	Training Facilitator	8		8
	UCOO	117	2	119
BALUCHISTAN Total		3893	9	3902
Grand Total		3893	9	3902

Above is submitted for your kind approval.

Best Regards,
khalida

Subject: Relocation of Data usage officer to PDO

Dear Khalida ,

As we have discussed we have a vacant position of Provincial data officer with CTC who recently resigned moreover currently we have one data usage officer in Quetta who is very competent and has MPH along with MA Economics , we would request if you discuss with the management and relocate the data usage officer to PDO as both are same level positions and we can further abolish this data usage officer position which only exists in Balochistan
