SAMAN SHAH

ELECTRICAL ENGINEER

OBJECTIVE

To work in dynamic organization with a professional driven environment to institute a strong career in the field of electrical engineering to make this field more innovative and creative for future generation.

ACADEMIC QUALIFICATION

BE Electrical Engineering (POWER)

Institution: HITEC University Taxila

CGPA: 3.56/4.0

1st division

HSSC: (ADD Math)

Institution: Concept Collage of Science, Lalazar, the Mall, Wah Cantt.

SSC:

Institution: F.G Girls public school Aslam market, Wah Cantt.

EXPERIENCE

Internship at **Pakistan Ordnance Factory (04 week)**

Internship at **Heavy Electrical Complex (08 weeks)**

TECHNICAL SKILLS

ETAP, Matlab, Power world simulator, Eagle software, PSPICE, Proteus, AutoCAD, Microsoft office

ACHIEVEMENTS / EXTRA CURRICULAR ACTIVITIES

Seminar on EMC/EMI Introduction & practical aspects by **IEEE**

Seminar on Artificial Intelligence by **IEEE**

Organizer of OLYMIAD HITEC university

ENVIRONMENTAL MANAGEMENT SYSTEM AUDITOR AWARENESS TRAINING **(ISTS)**

WEBINAR ON ENVIRONMENTAL MANAGEMENT SYSTEM **(ISTS)**

SEMESTER PROJECTS

Design and Simulation of High current generator (FYP)

Automatic street light using LDR

Water level indicator

Speed control DC motor using PWM

Password based digital security system using microcontroller

Voltage stabilizer
