

PROFESSIONAL STATEMENT

Hi, my name is Sohail Asghar. Empathetic Research Intern with a passion for Agriculture. I am keen to begin my career in Soil Science. I have recently done my graduation in Agriculture (Soil Science) . I have combined my studies with working and other commitments. In achieving this, I have shown myself to be self-motivated, committed and determined in achieving my goals, come what may. I am looking for work in a competent and professional environment, where I can utilize my knowledge and skills efficiently, and can acquire good career growth.
