WORK EXPERIENCE

CHIP Training and Consulting (Pvt.) Ltd   **Islamabad**
Data Entry Analyst   June 2021 - Present

- I had been privileged to partnered with a multinational client for smooth running of its operations in North region of Pakistan mainly in Islamabad, Rawalpindi and Jhelum.
- Established a network for data management of over 50 sites with a prime focus on 'Submission' and 'Manipulation' of data.
- Achieved the agreed KPIs of **98%** percent submission and **2%** manipulation in the second quarter of 2022, three months prior to the deadline from our international client.
- Ensured the consistency in the accomplished targets and workflow by implementing the effective and proven record of stakeholder management.
