

# RUBINA

TELECOM ENGINEER

@ engr.rubinaali@gmail.com

📞 03182879255

## COURSES

CNN

Antenna NGN

Cisco packet tracer

Computer vision

Communication system

## ACHIEVEMENTS

IEEE membership

IGNITE fund (FYP)

Project management

Climate cloud as volunteer

World tourism volunteer

Ice cube volunteer

Ice cube ambassador

PSYWSC ambassador

## SKILLS

Networking

Technical and report writing

Microsoft office GPON

MSAG wireless

Next Generation Network

Telecom Traffic MatLAB

AutoCAD

troubleshooting

Project management

Voip Team management

Overleaf

## ABOUT ME

Grounded and solution-oriented telecommunication engineering graduate with a wide variety of experiences. Adept at motivating self and others. Passionate about CCN, BBNGN, signaling, communication system, antennas, and educating the next generation of technology users and innovators.

## EXPERIENCE

Tranie Engineer | PTCL

📅 2023

📍 Quetta

- Wireless communication
- NOC of ZTE and HUAWEI
- Software of ZTE and HUAWEI
- Focuses on the fault software of network analyzer fiber for GPON (FAT, FAD and ODF)
- Data creation, modulation and configuration for narrowband service of Quetta (ROC)

Teacher | Basic Education Community School

📅 2015-2018

📍 Quetta

## EDUCATION

Matric | Meritorious Public High School

📅 2015

📍 Quetta

FSC | K.B Science college

📅 2017

📍 Quetta

BS Telecommunication Engineering | BUITEMS

📅 2022

📍 Quetta

## PROJECTS

Project 1 | Low Profile Conformal UWV Antenna for UAV Applications (software based) | 🌐

📅 2020 - 2022

## LANGUAGES

---

Urdu: **Native**

---

English: **Intermediate**
