## About Me

My personal vision is to pursue excellence in public health to be an advocate for care concerns and to serve community. As a comprehensive Medical Doctor, my aim is to perfect my ability to deliver evidence based practice using the latest treatment modalities and techniques.

## Professional Experience

### **General Practitioner at Zia Medical Complex & General Hospital, Peshawar from 2018 to 2023.**

I regularly cared for 30+ patients on daily basis. I am responsible for accurately taking down the patient's medical history, updating their charts and information, ordering tests, reviewing tests for abnormal findings, designing treatment plans. answering patients' questions, and going over proper nutrition. I treated each of my patients with special attention and care.
