

DR.ABDUL RAZZAQ

Medical officer

CAREER OBJECTIVE

I am Dr. Abdul Razzaq, a dedicated medical professional, completed my MBBS degree from Ghulam Muhammad Maher Medical College Sukkur. With a commitment to providing compassionate care and improving patient outcomes, I bring a wealth of knowledge and expertise to my practice. I possess a strong foundation in medical sciences, clinical skills, and patient-centered care, allowing me to effectively diagnose and treat a wide range of medical conditions. My passion for continuous learning and staying updated with the latest advancements in medicine ensures that my patients receive the highest standard of care. I am known for my excellent communication skills, empathy towards patients, and ability to work collaboratively with healthcare teams to deliver comprehensive healthcare services. My dedication to my profession and my patients makes me a valued member of the medical community.
