

AWAIS KHAN

STATISTICIAN

ABOUT ME

As a statistician, I bring a solid understanding of statistical concepts and methodologies, along with proficiency in statistical software such as SPSS and Oracle Database & Excel. I possess strong analytical skills, attention to detail, and a passion for leveraging data-driven insights to solve complex problems. With a keen interest in contributing to real-world projects, I am eager to apply my statistical knowledge and contribute to evidence-based decision-making.
