● ABOUT ME

I am self-motivated and result oriented person, with skills to motivate people, because of my field of study and research work I have developed expertise in any kind of reporting and data management tasks, including data analysis i.e. development of assessment tools, data collection, compilations and analysis for appropriate interpretations. I have also worked with diversified organizations and developed skills about Research Projects and development of Business Plans. I have recently worked with CERD- Pakistan in a UNICEF funded project as Child Protection Monitor which has enhanced my skills of Community Engagement, Social Mobilizations, Planning, Supervision, Monitoring and Evaluations. My aim is to excel myself as a professional, while delivering best service possible in achieving the organizational goals.
