PROFILE

With a strong background in mathematics education and school management, I have earned my NEBOSH IGC certification, adding practical health and safety expertise to my skill set. Now, I'm eager to leverage this certification and my teaching and management experience in a role as an HSE Health and Safety Officer. Let's connect to discuss how I can contribute to your team's safety initiatives.

OBJECTIVE

Highly motivated professional with Nebosh IGC certification, seeking a Health and Safety role. Committed to fostering a secure work environment through proactive safety measures and ensuring compliance with industry standards.
