chakarbugti5@gmail.com

Highly skilled and dedicated professional with a strong background in management, seeking to apply comprehensive clinical knowledge and management expertise to lead and implement effective disease control programs at the district level. Committed to improving access to quality care, reducing disease burden, and collaborating with stakeholders to achieve public health goals.

EXPERIENCE

FROM 2018 TO PRESENT

DENTAL SURGEON, DISTRICT HEADQUATER, DERA BUGTI

In my role as a dental surgeon in a backward district with limited resources, I have taken on additional duties beyond clinical practice, which have significantly enriched my management skills and clinical knowledge. During Covid-19 and cholera outbreak in PirKoh, my experience was further benefitted by unique challenges faced by district health system. Overall my experience includes:

1. Providence of Primary Healthcare Services
2. Managing Medical Emergency
3. Maintenance of Medical History
4. Contributions in public health initiatives
5. Inculcation of Advance Clinical training
6. Participation in Research and Academic Activities
7. Education for efficient Patient care
8. Enhancing Professional development
