Experience

2020 To Present

World Health Organization (WHO)

Polio Eradication Initiative

Collaborated with local health authorities to raise awareness about polio prevention and vaccination. I also conducted door-to-door surveys to identify unvaccinated children and provided them with the necessary vaccines. I participated in data collection and reporting, ensuring accurate and up-to-date information for program evaluation.

World Health Organization (WHO)

Area supervisor uc abuzarghuffari 06

Objective

Dedicated and passionate individual with a strong commitment to public health and community well-being. Over the past three years, I have actively participated in the Polio Eradication Initiative, working tirelessly to contribute to the global effort to eradicate polio and improve the health outcomes of vulnerable populations.
