D.O.B 13-07-1197
Mob# 0336-2411787/03108745847
Email Address ibrarkhandotani2020@outlook.com
Resident Address Satellite Town Block#4 Zhob Road Quetta
Postal Address Social Security Center BHU Near Khizra Masjid Satellite Town Block#3 Quetta

Objective:

Seeking a challenging position in data analytics where I can utilize my expertise in data manipulation, statistical analysis, and machine learning to derive meaningful insights and drive informed business decisions. With a passion for uncovering patterns and trends within complex datasets, I aim to contribute to the success of the organization by optimizing processes and delivering actionable recommendations through advanced data analysis techniques.

Professional Summary

To leverage my six years of experience working in the Polio Program as a Union Council Operation Officer and Area Supervisor, with a specialization in data analysis at the UC/Tehsil level, to transition into a dedicated data analytics role. Seeking opportunities to apply my strong analytical skills, attention to detail, and expertise in data management to contribute effectively to data-driven decision-making processes in a dynamic organization.

Education

BA/Bsc

Social science University Of Balochistan 2021

FA/Fsc

Pre-Engineering Balochistan Board 2016

Matricular

Science Balochistan Board 2014

Experience

UNION COUNCIL OPERATION OFFICER CTC, SINCE 2022.

Polio Program - Community Based Vaccination Project

Overall, my tenure as a Union Council Operation Officer in the Polio Program equipped me with valuable skills in strategic planning, team management, data analysis, and community engagement, which I am eager to leverage in my pursuit of opportunities in the field of data analytics.

IBRAR AHMED

UNION COUNCIL OPERATION OFFICER UC 13-D QUETTA (CTC)

- **Geospatial Analysis:** Skilled in utilizing ARC Map and QGIS, I have conducted geospatial analysis to visualize spatial data and identify patterns and trends. This expertise has facilitated targeted interventions and resource allocation in public health programs.
- **Data Analysis and Visualization:** Utilizing tools such as R-Studio, Tableau, and Power-Bi, I have transformed raw data into insightful visualizations and interactive dashboards, enabling stakeholders to gain deeper insights and make informed decisions.
- **Form Designing and ODK Usage:** With a strong knowledge of form designing and usage of ODK (Open Data Kit), I have streamlined data collection processes and ensured data integrity and accuracy in fieldwork operations.
- **MS Office Proficiency:** Demonstrating strong expertise in MS Office applications, I am proficient in utilizing Excel, Word, and PowerPoint to analyze data, prepare reports, and communicate findings effectively.
- **Language Proficiency:** Possessing good oral and writing skills in the English language, I am adept at articulating complex ideas and concepts clearly and concisely. This proficiency extends to report writing, where I have consistently produced comprehensive and compelling reports to communicate findings and recommendations.
