## ADDITIONAL INFORMATION

### PROJECTS

15/09/2018 – 25/12/2018

**MARVELLOUS ROLLER COASTER 3D** In this project we have developed a simple game in unity 3d which is Marvellous roller coaster 3D. The idea behind making this game is to get some knowledge about the gaming industry and to entertain people with our game. In this game passengers will enter into the vehicle through a certain stop and when they enter you are about to start, we have to make sure that our passengers reach safely and also there are other levels in the games as you move forward this game is basically made for android smartphones.

**TECHNOLOGIES:** Unity 3d, Assets store and Mono-develop editor.
