Karachi, Pakistan (75500)

Motivated and analytical International Relations graduate with a strong academic foundation in global diplomacy, political theory, and international economics. Experienced in research, policy analysis, and cross-cultural communication, with a passion for global development, human rights, and international cooperation. Demonstrated ability to synthesize complex information, conduct independent research, and present findings clearly. Strong interpersonal skills, adaptable in multicultural environments, and eager to contribute to initiatives that foster global understanding and sustainable development. Looking to leverage academic knowledge and internship experience in a dynamic, internationally focused organization.
