## Medical Officer

### PROFESSIONAL EXPERIENCE

---

. Adept medical doctor with three year of practice experience. Dedicated to exemplary patient outcomes and following all necessary medical procedures. Strong focus on listening to and addressing patient concerns and answering all questions in terms patients can easily understand. Willingness to work with all members of the medical team and listen to their suggestions and input to improve results and maximize patient satisfaction.

With extensive experience across NGOs including

#### **Civil Hospital Hub Medical Officer (August 2022-to till)**

As a Medical Officer at the Civil Hospital Hub since August 2022, my responsibilities include providing medical care to patients, diagnosing illnesses, prescribing treatments, and conducting medical procedures. I work in collaboration with other healthcare professionals to ensure the well-being of patients and maintain accurate medical records. Additionally, I participate in medical rounds, attend to emergencies, and contribute to the overall functioning of the hospital. This role has allowed me to apply my medical knowledge and skills to make a positive impact on the health and lives of individuals in the community.

#### **WHO (World Health Organization)**

December 2023

In 2023, I worked as a doctor at the medical camps organized by WHO. My responsibility was to conduct patient check-ups, provide treatment, and ensure their well-being. This role allowed me to apply my professional expertise and medical knowledge.

#### **Trust for Vaccines and Immunization (TVI) june 2024**

In 2024, I worked with TVI in organizing medical camps as a doctor. My responsibilities included conducting patient check-ups, providing treatment, and ensuring their well-being. While working with TVI medical camps, I collaborated with district stakeholders to coordinate and assist in the monitoring and management of the camps.

#### **Flood Relief medical camps kacchi Balochistan**

Worked as a doctor in flood relief camps in District Kachhi for 1 month.

Experience in multiple health camps in rural areas of Balochistan.

UCMO polio campaign 2024 to till

---

### EDUCATION

Mbbs Hamdard University karachi (2019 MSPH)

enrolled from Szabist Karachi

**Subject: Application for District Surveillance Officer Position**

**Dear Hiring Manager,**

---

**I am writing to formally express my interest in the District Surveillance Officer position. With a solid background as a Medical Officer for the past three years, I have consistently upheld high standards of patient care and adhered to stringent medical procedures.**

---

**During my tenure at Civil Hospital Hub since August 2022, I have been actively involved in providing comprehensive medical services, diagnosing ailments, prescribing treatments, and executing essential medical procedures. Furthermore, my collaborations with reputable organizations such as WHO and Trust for Vaccines and Immunization have further refined my expertise in patient care and medical camp organization.**

**I am enthusiastic about the prospect of contributing my skills and experience to your esteemed organization as a District Surveillance Officer. I am confident that my professional background and dedication align well with the requirements of the role.**
