

DR. KHAWAJA MOOSA SHOUKAT

OBJECTIVE

Dedicated and highly skilled Civil Medical Officer with extensive experience in managing critical patient care in emergency and routine settings. Proven track record in handling high-pressure situations, performing complex medical procedures, and leading healthcare teams. Seeking a challenging role to leverage my expertise and contribute to the advancement of healthcare services.

WORK EXPERIENCE

CIVIL MEDICAL OFFICER October 18, 2022 - Present

DHQ Hospital Jehlum Valley

Duties & Responsibilities:

- Effectively manage critical patient cases in the Emergency Room (ER), including life-threatening conditions such as myocardial infarction (MI), diabetic ketoacidosis (DKA), status asthmaticus and epilepticus, poisoning, gunshot wounds, and gut perforation.
- Perform essential bedside procedures like suturing, endotracheal tube (ETT) insertion, catheterization, nasogastric (NG) intubation, vital signs monitoring, and providing isotonic and inotropic support.
- Provide comprehensive care in Intensive Care Units (ICU) and Coronary Care Units (CCU), including stroke management, central venous pressure (CVP) line insertion, head injury management, cardiopulmonary resuscitation (CPR), and defibrillation.
- Handle pediatric emergencies with expertise, including resuscitation and critical care management.
- Perform orthopedic procedures such as stabilizing fractures with plaster of Paris (POP) and managing various types of fractures.
- Conduct routine otorhinolaryngology procedures like foreign body removal.
- Oversee routine outpatient department (OPD) procedures across all respective medical departments.

DEPUTY MEDICAL SUPERINTENDENT April 2, 2024 - Present

DHQ Hospital Jehlum Valley

Duties & Responsibilities:

- Assist in hospital administration and management, ensuring efficient operation and delivery of healthcare services.
- Supervise medical staff and oversee clinical operations to maintain high standards of patient care.
- Implement hospital policies and protocols to improve service delivery and patient satisfaction.
- Coordinate with various departments to streamline processes and enhance the overall functioning of the hospital.
