Respected Project Director,

Apropos of an advertisement, A post of Doctor has been announced in this project. I believe I am the most apt person for this post based on my experience and this will provide me with an opportunity to further brush up my skills in the relevant field.

My communication skills make me a perfect candidate for this post as I can speak all the major languages spoken in the region like Brahvi, Balochi, Pashto and Urdu.

I am quite hopeful that my skills will be availed for this great service of humanity. Thanking in anticipation!
