TO WHOM IT MAY CONCERN

This is to certify that MUHAMMAD AMMAR S/O MUHAMMAD ALI having VUID bc200202841 is a student of Virtual University of Pakistan in the program of BS Software Engineering (BSSE). It is worth noting that the medium of instruction at Virtual University of Pakistan is English.

He has been my student in the course of Database Management Systems (CS403) and his performance in the course was outstanding. He possesses good understanding of all related concepts. He has good intellectual qualities and showed time management by submitting his work on time. He is one of those students who have the abilities to achieve their aims and meet their commitments through consistent hard work and dedication. He is mature, emotionally stable and consistent in manner and outlook.

I am pleased to write in support of MUHAMMAD AMMAR for higher studies as he is consistent, disciplined and hardworking student. He possesses the required potential and attitude of studying in the higher program and I am convinced that he will prove to be a good student.

I wish him good luck for his bright future.
