Mardan, 03460992761, mbilal213213@gmail.com

PROFILE

Dedicated and compassionate doctor with a genuine commitment to bring my clinical skills and passion for patient care to your team. I'm ready to make a significant impact as your next medical officer. My dedication to advancing healthcare and driving results will help your organization succeed.

EMPLOYMENT HISTORY

Jun 2024 — Sep 2024

Senior House Officer, General Surgery

Lady Reading Hospital,
Peshawar

As house officer, I assess and manage patients pre- and post- operatively, assist in various surgical procedures, and provide critical care during recovery, handle emergency cases, support the surgical team with procedural tasks, and ensure effective communication with patients and their families.

Mar 2024 — Jun 2024

Senior House officer, Ophthalmic Surgery

Lady Reading Hospital,
Peshawar

As a House Officer in Ophthalmic Surgery, I performed comprehensive pre-operative evaluations, assisted in a variety of eye surgeries, and managed postoperative care. I supported the surgical team with procedural tasks and provided emergency care for ophthalmic conditions. My role ensured effective surgical outcomes and high-quality patient management.

Dec 2023 — Mar 2024

Junior House Officer, General Medicine

Lady Reading Hospital,
Peshawar

- As house officer in general medicine, I conducted patient assessments including detailed history taking and relevant clinical examination, managed acute and chronic conditions, and developed treatment plans under consultant supervision. I provided emergency care, did daily ward rounds, monitored patient progress, and coordinated with specialists to ensure comprehensive care. My role was essential in delivering effective patient management and supporting the medical team.

Sep 2023 — Dec 2023

Junior House Officer, Paediatric Cardiology

Lady Reading Hospital,
Peshawar

- As house officer in Paediatric Cardiology, I performed detailed evaluations of patients with cardiac conditions, assisted in diagnostic procedures such as ECGs and echocardiograms, and managed treatment plans. I provided emergency cardiac care, supported the cardiology team, and educated families about their child's condition and treatment options.

Jul 2023 — Sep 2023

Internship, Paediatric Medicine

Liaquat Memorial Children
Hospital, Kohāt

- As internee in Paediatrics, I conducted detailed assessments of pediatric patients, managed both acute and chronic conditions and developed treatment plans. I provided emergency care, coordinated with specialists, and educated families on health management. My role was crucial in delivering comprehensive and compassionate care to young patients.
