Address: Village and PO Boobak Tehsil and District Charsadda

About me

Motivated and results-driven computer science graduate with a Bachelor's degree in Computer Science from Abdul Wali Khan University Mardan. With a strong foundation in computer science principles, programming languages, and problem-solving, I am eager to contribute my skills and knowledge to a dynamic and innovative team. My passion for technology and my dedication to staying current with industry trends drive my pursuit of excellence in software development and system integration.
