PROJECTS

Youth Engagement to Promote Social Cohesion

- Arranging different activities and workshops for youth to create and identify opportunities and platforms for the youth to make them active agents of peace in Peshawar
- Building and developing capacity of potential youth both male and female through different sessions and activities in non-violent conflict resolution, democracy and mutual co-existence
- Designing an advanced level course to develop a specific number of Master trainers who then delivered community based trainings to in the target areas benefiting more than 1000 youth.

Youth Engagement in Family Planning and Reproductive Health funded by UNFPA.

- Building capacity of Youth about quality sexual reproductive health information and services
- Organized different sessions, workshops and seminar on the benefits of Family Planning
- Organizing sessions, workshops in colleges, universities and in the community with youth about the Family Planning
- Mobilizing and awareing the youth and the community about the role of UNFPA and Population Welfare department about the reproductive health

UNDP Funded Project " Revamping and Uptake of Jawan Markiz in KP"

- UNDP Pakistan has developed this project for Youth Empowerment in Khyber Pakhtunkhwa, which aims to create a facilitating environment for youth to emerge as agents of positive change and development in Pakistan. The project supported youth empowerment in the target areas through three interlinked pillars: social engagement; economic empowerment; and life skills.

Solidar Suisse project for Afghan Refugees

- Identification of the Target Group
- Verification of the Target Group
- Delivering Ration to the Target Group
