## Profile

My experience with diverse patient populations has emphasized the need for effective medical education and highlighted gaps in understanding. Working closely with colleagues has strengthened my teamwork and leadership skills. Additionally, my Pashto background allows me to effectively communicate with the local community, fostering trust and collaboration in public health initiatives. I am eager to contribute my skills as a District Surveillance Officer to make a meaningful impact in the region.

## Experience

House Officer At **Dr Ruth Pfau Civil Hospital Karachi** Internship, Karachi , Sindh Participated in team projects, demonstrating an ability to work collaboratively and effectively. Self-motivated, with a strong sense of personal responsibility. Gained extensive knowledge in Surgery , Medicine and allied department respectively, done extra - rotations in medical ICU and Emergency Room. Learend ability to develop and implement creative solutions to complex problems. Strengthened communication skills through regular interactions with others. Demonstrated leadership skills in managing projects from concept to completion.

## Rotations

**July 2023 -Rotational Intern  
June 2024**

- Medicine (6 months)
- General Medicine (3 months)
- Medicine Allied: Paediatrics (3 months)
- Surgery (6 months)
- General Surgery (3 months)
- Surgery Allied: Plastic Surgery (3 months)

## Additional

- **Medical ICU(Intensive care unit) - Sept 2023**

I had the valuable experience of spending 15 days in the Medical Intensive Care Unit (ICU). This opportunity provided me with extensive knowledge and hands-on experience in managing critically ill patients.

- **Emergency Department**

I have done my rotation in casualty department for 15 days where I managed common medical illness and emergencies which further enhanced my knowledge and clinical approach.
