Experience

WHO, HEALTH SERVICES ACADEMY, ISLAMABAD

SURVEYOR IN POLIO ERADICATION PROGRAM

2022 – 2022

Duty Station: Rawalpindi and Islamabad

Seasonal Supportive Supervision and Monitoring services in every Polio Campaign, Duty station Islamabad, Rawalpindi, Punjab including rural and areas, remote areas.

The outcome monitoring following SIA campaign include post campaign monitoring (PCM) to be conducted in 100 of clusters in HRMP and 50 clusters in non-HRMP.

Lots Quality Assurance Survey (LQAS) and out-of-house finger mark survey conducted to assess the coverage and quality of the vaccination activity, to identify missed or poorly covered areas, identify reasons for missed children, and take immediate corrective actions.

Remote monitoring by NEOC call center will continue in all high-risk, hard to reach areas and possible blind spots. Data from remote monitoring will be analyzed over the rounds to see any rising trends.

To improve the reliability of PCM and LQAS the program will continue to validate the PCM and LQAS for data quality assurance and to identify poor performing clusters for corrective interventions.

Taking data through hard copies and soft copies in the form of clusters and submitting it on NEOC online portal. Reporting to NEOC about overall compiled data of household clusters and spot surveys.
