## EXPERIENCE

### Khyber teaching hospital peshawar

#### Trannie medical officer

Duration : **01/01/2019 - 31/12/2022**

Did my 4 year FCPS training in pediatrics and neonatology.

My duties included attending and admitting pediatric patients taking complete history complete examination prescribing investigations making diagnosis and complete treatment.

During these 4 years I have worked on rotation basis in emergency pediatric services, NICU, PICU, SCBU, pediatric general ward.

In PICU my duties included admitting and stabilizing critically ill patients.

Start patient on mechanical ventilation and monitoring them throughout their admission.

Worked as acting registrar in last 6 months of my training, my duties as registrar included doing rounds with consultants and independent ward rounds, managing my whole team of junior TMOs and all other associated staff.

### Pak medical center peshawar

#### Medical officer

Duration : **01/11/2019 - 31/10/2021**

Worked as medical officer where my responsibilities were to take history general physical examination and diagnosis and management of common medical problems. I worked here as part time since I was doing my FCPS 2 training in pediatrics

### Jinnah teaching hospital peshawar

#### Medical officer

Duration : **1st sept 2018 - 28th feb 2019**

Worked as casualty medical officer for 6 months where my duty was to attend medical emergencies and stabilize the patient.

After stabilization referral to the proper unit for further work up.

### medicine sans frontiers

#### Medical officer

Duration : **1st aug 2020 - 31st aug 2020**

Worked as SCBU medical officer.

My job was to attend high risk pregnancies and receive and admit critical babies.

Do ward round on already admitted babies.
