C/O Musharraf Medical Complex Opp Soneri Bank, Mandian,
Abbottabad

Dear Hiring Manager,

I am writing to express my interest in pursuing opportunities within the healthcare sector that align with my background and professional expertise. With a robust academic foundation and diverse clinical experience, I am eager to contribute to a dynamic organization dedicated to improving health outcomes and advancing medical knowledge.

I hold a Bachelor of Medicine and Bachelor of Surgery (MBBS) degree from Bolan Medical College, Quetta, and have recently completed the coursework for my M.Phil in Community Medicine from the Institute of Public Health, Lahore. My educational journey has provided me with a strong understanding of both clinical and public health principles, including preventive medicine and community health strategies.

In my most recent role as a General Practitioner/Medical Officer at Musharraf Medical Complex, Abbottabad, I have gained extensive experience in various medical fields including pediatrics, psychiatry, orthopedics, and otorhinolaryngology. I have developed proficiency in patient examination, diagnostic testing, medication administration, and minor surgical procedures. My role involved managing both routine and emergency care, providing patient education, and contributing to community health initiatives.

My clinical internship experiences further enhanced my skills in patient management, diagnostic procedures, and surgical assistance. I am adept at collaborating with multidisciplinary teams, conducting preoperative and postoperative care, and managing chronic diseases.

I am particularly motivated to leverage my skills and knowledge in a setting that values excellence in patient care and community health. My dedication to healthcare, combined with my strong analytical abilities and excellent communication skills, positions me as a valuable asset to any medical team.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and certifications align with the needs of your organization. Please feel free to contact me at your convenience to schedule a discussion.

Sincerely,

Dr. Niaz Hassan
