Collaborative and team work

Rahul Raja

As someone living in Baluchistan province, where education levels and access to healthcare are limited, my lifelong goal has been to pursue a career in medicine in order to positively impact my underprivileged community. With a sincere determination to serve, I am committed to enhance my medical knowledge and I strongly believe that it is my duty to help bridge the gap, even if it necessitates joint endeavours.

Work experience

Medical Officer

Since October 2023 [Medical Emergency Response Center \(MERC\)](#) Quetta

My role is to,

- Oversee peripheral centers as part of the Balochistan Medical Emergency Response Center.
- Develop and implement strategies to address . road traffic accidents, previously overlooked due to medicolegal concerns.

House Officer

From May 2022 to May 2023 [Civil Hospital](#) Karachi

Education

MBBS

From January 2017 to April 2022 [Dow University of Health Sciences](#) Karachi

Extra-Curricular Activities

Head of Finance Department

From January 2019 to April 2021 [Hamara Mustaqbil](#) Karachi

Hamara Mustaqbil, established in 2018, is a non-governmental organization initiated and managed by students. Its primary objective is to assist students in accessing high-quality education. In 2019, I became a member of this organization, initially working as an associate in the Finance Department and later assuming the role of the Head of department.
