WORK EXPERIENCE

I have worked as a house officer in **Bahawal Victoria Hospital, Bahawalpur** (2023-2024) and rotated in the following wards:-

- **General Surgery - 3 months**
- **Obstetrics and gynaecology - 3 months**
- **Gastroenterology - 3 months**
- **General medicine - 3 months**

During my housejob, I acquainted myself with various **medical and surgical procedures** alongwith honing my **diagnostic and management skills**. I feel confident to state that I am equally good at interpreting various **laboratory and radiological studies** as well as **clinical findings**. Apart from learning medicine, I was professionally trained in **communication skills** and **patient counselling** by my mentors.

Letters of references and testimonials can be produced on demand.

MANAGEMENT AND LEADERSHIP

I have always been eager to **lead and provide support in management roles** in my capacity. I have been working and collaborating with organisations at both **local and community level** and served at various positions. I lead and supervised various events during my tenure. Be it leading and organising adrenaline-pumping outdoor excursions or coordinating large scale events attracting humongous crowds, I have consistently exhibited the ability to inspire and motivate teams, ensuring seamless execution and unforgettable experiences.
