03478228271

DOB 15/05/1995

### summary

Currently working as 3rd year resident Pediatric Medicine at Abbas Institute Of Medical Sciences Muzaffarabad AJK. During my residency I gained experience by working at outpatient department, general wards and emergency care and had rotations in NICU, PICU, Thalassemia center, Nutritional rehabilitation and Kangro mother care that helped me to be skilled in emergency and life saving procedures like CPR, CVP/DLC line insertion, ETT insertion, LP, needle aspiration etc along with keeping me updated with current guidelines and clinical knowledge.
