Summary

A dedicated Pediatrician with a robust background in NICU, PICU, Emergency and General pediatric primary care practice. From 2020 to 2024, I was a Pediatric Post graduate trainee at Lady Reading Hospital, Peshawar, which is the largest Tertiary Care Government Hospital in the province of KPK. I delivered comprehensive healthcare services, educating patients on preventive health practices, and ensured meticulous medical record-keeping. My tenure at Allied Hospital Faisalabad/DHQ Hospital Faisalabad included significant roles in both senior and junior house jobs, where I honed my skills in general surgery, ENT, Pediatric, and General medicine. With a strong foundation from my MBBS degree from Punjab Medical College and additional qualifications from the Peshawar Board, I am committed to continuous professional development and collaboration with healthcare teams to provide the highest standard of patient care.

Experience

➤ Lady Reading Hospital, Peshawar

**FCPS Pediatrics, training complete (IMM cleared)
(July 2020 – June 2024)**

- Provided comprehensive primary care services, diagnosing and treating acute and chronic illnesses
- Conducted thorough medical examinations, reviewed patient histories, and interpreted diagnostic tests
- Educated patients on preventive healthcare practices, lifestyle modifications, and chronic condition management
- Delivered prompt and effective care in emergency situations, including performing minor surgical procedures
- Prescribed medications, monitored patient responses, and adjusted treatments as necessary
- Collaborated with specialists, nurses, and other healthcare professionals to coordinate comprehensive patient care
- Maintained detailed and accurate medical records, ensuring compliance with legal and regulatory standards
- Participated in community health programs, providing medical support and raising awareness on various health issues
- Pursued continuous professional development and training to stay updated with medical advancements and best practices

➤ Allied Hospital Faisalabad/DHQ Hospital Faisalabad

**General Surgery and ENT
(October 2018 – March 2019)**

- Assisted in major and minor surgical procedures, including pre-operative and post-operative care.

DISSERTATION / THESIS

- Frequency of ABO Incompatibility in neonates with jaundice presenting to Lady Reading Hospital Peshawar, KPK – Pakistan.
- Typhoid Fever Clinical Presentation Pattern and Antimicrobial Sensitivity in Pediatric Patients Coming to Tertiary Care Hospital Peshawar.
- The Viability of Pethidine and Tramadol in the Treatment of Postoperative Shivering in Patients.
- The Recurrence of Heavy Skin Indications and their Relationship to the Severity of the Disease in the Pakistani Population

WORKSHOPS ATTENDED

- Training on **Integrated Management of Neonatal and Childhood Illness** | Khyber Medical College (KMC) - Pakistan
- Workshop on Baby Friendly Hospital Initiative (BFHI)
- 1 Day Workshop on **Cardio Pulmonary Resuscitation** | Punjab Medical College Faisalabad Pakistan

PROFESSIONAL SKILLS

- Basic Life Support (BLS)-American Heart Association
- ALCS (Advance Cardiovascular Life Support) Research Methodology
- Introduction to Computer & IT Communication Skills
- Clinical Assessment
- Surgical Assistance
- Diagnostic and Therapeutic Procedures
- Emergency Care
- Patient and Family Communication
- Multidisciplinary Collaboration
- Record-Keeping and Documentation
- Health Education
- Pediatric Procedures
- ENT Diagnostic Skills
- Pre-operative and Post-operative Care
- Chronic Disease Management
- Team Leadership
- Time Management
- Acute Care Management

- Participated in daily surgical rounds and multidisciplinary team meetings.
- Educated patients and families on surgical procedures, recovery plans, and preventive measures.
- Maintained accurate and detailed patient records, ensuring timely documentation of surgical notes, treatment plans, and follow-ups.
- Conducted thorough assessments and examinations for patients with ear, nose, and throat conditions.
- Assisted in ENT surgical procedures, including tonsillectomies, adenoidectomies, and endoscopic sinus surgeries.
- Managed acute and chronic ENT conditions such as otitis media, sinusitis, and allergic rhinitis.
- Performed diagnostic procedures like audiometry, nasal endoscopy, and laryngoscopy.
- Provided pre-operative and post-operative care for ENT surgical patients.
- Educated patients and their families about ENT conditions, treatment options, and preventive care.

➤ Allied Hospital Faisalabad/DHQ Hospital Faisalabad General Medicine & Pediatrics (March 2018- October 2018)

- Conducted comprehensive history taking and physical examinations for pediatric and adult patients.
- Developed and implemented management plans for common pediatric conditions and adult diseases.
- Managed acute pediatric emergencies and participated in resuscitation efforts.
- Performed pediatric procedures such as venipuncture, IV cannulation, lumbar punctures, and neonatal care procedures.
- Administered vaccinations and provided routine health screenings.
- Provided immediate assessment and management of medical emergencies in the emergency department.
- Performed various medical procedures, including arterial blood gas sampling, central venous catheterization, pleural and ascitic fluid aspiration, and ECG interpretation.
- Assisted in performing endoscopic and ultrasound-guided procedures.
- Effectively communicated with patients and their families to explain diagnoses, treatment plans, and preventive measures.
- Maintained accurate and detailed patient records, ensuring timely documentation of clinical notes, treatment plans, and follow-ups.
- Utilized electronic medical records (EMRs) for efficient information management.

LETTER OF CONGRATULATIONS FOR IMM

Dear Doctor,

I have the pleasure to intimate that you have satisfied the board of examiners of Intermediate Module **August 2022** Examination in the discipline of **PAEDIATRICS** and declared successful.

Examination Detail

SESSION	ROLL NO.	SUBJECT	CENTER	HELD ON	VERIFICATION CODE
August-2022	103389	PAEDIATRICS	PESHAWAR	22-08-2022	664252

This success in Intermediate Module does not entitle you to be qualified specialist. Now you are required to complete remaining R & R C registered training including specified rotations, attending mandatory workshops, maintaining e- logbook for the entire duration of remaining training and submitting your dissertation for approval to R & R C during the beginning of the last year of residency. You may be asked to fulfill any other requirement introduced by CPSP before appearing in FCPS-II examination.

Please note that requirements of training are constantly under review and it is your responsibility to be aware of the current regulations which will be applicable on the date of your FCPS-II examination. Intermediate Module is not an academic qualification and you are not authorized to write it along with your other degrees/diplomas on your letter head, visiting card, and signboard or name plate.

Yours sincerely,

Dr Muhammad Sharif
Chief Controller of Examinations

Note: *It is essential for you to acquire original certificate of Intermediate Module qualification which has to be presented at the time of appearing in FCPS-II examination or while proceeding abroad.*

Please generate your IMM Certificate fee challan of Rs. 5500/- using your e-portal account and submit in any UBL branch throughout Pakistan and submit one copy of your deposited slip along with your issuance of IMM Certificate latest by 22, September 2022. Payment in Bank Draft/Pay Order is not acceptable.

A sum of Rs 1,000/- to be added, if deposited after the last date.

This Letter can be verified at <https://ecert.cpsp.edu.pk/verify/exam-certificate>

LETTER OF CONGRATULATIONS

Dear Doctor,

I have the pleasure to inform that you have been declared successful in FCPS PART-I Examination held in September 2019 session. You are now eligible to undergo training in relevant discipline for completing the necessary requirements as prescribed in the College Prospectus/Syllabus. You should now obtain necessary guidelines / instructions from Registration & Research Cell (R&RC), pertaining to Registration formalities and participation in the mandatory, workshops. Please note that you are required to register with R&RC immediately after starting your training.

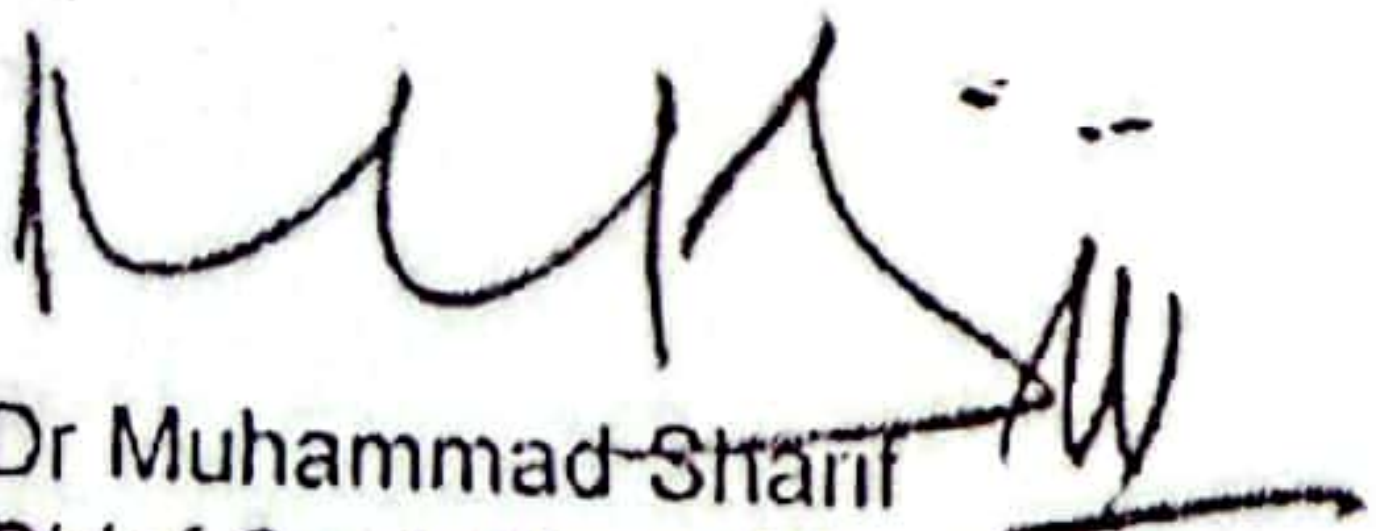

This result of passing FCPS-I will remain valid if you pass the IMM examination (both theory & TOACS) in Six (06) consecutive attempts (availed or un-availed) starting from the date of eligibility after registration as FCPS-II trainee.

If you could not pass IMM examination as described above then you will be required to appear in FCPS-II examination within Seven (07) years, from the date of passing FCPS-I examination, otherwise validity of FCPS-I result will become null and void.

In case the requirement of passing IMM has not been introduced in your subject, old rules will apply for validity of FCPS-I and for registration with R&RC. In that case, you must appear at least once in the final FCPS Part-II examination before the expiry of three years plus the duration of training in the chosen speciality, failing which this FCPS Part-I result will become null and void.

Please note that requirements of training are constantly under review and it is your responsibility to be aware of the current regulations, which will be applicable to you, on the date of registration. FCPS-I is NOT an academic qualification and you are not authorized to write it along with your other degrees/diplomas on your letterhead, visiting card, signboard, nameplate, etc.

Yours Sincerely,

Dr Muhammad Sharif
Chief Controller of Examinations
