## About Me

---

Highly motivated and enthusiastic individual with a strong educational background. Skilled in using laboratory equipments and techniques. A motivated team player who strives for excellence and is eager to contribute to scientific discoveries and advancements in the field of chemistry. Seeking opportunities to apply knowledge and skills in a dynamic and innovative organization.

## Education

---

2020-2022

**M.Sc. Chemistry** **842/1200**

UNIVERSITY OF THE PUNJAB

Institute: Government College, Attock

2018-2020

**Bachelor of Science** **591/800**

Government College for Women, Attock

2015-2017

**Pre Medical** **943/1100**

Government College for Women, Hazro

## Skills and Abilities

---

- Laboratory documentation
- Analytical processes
- Titration
- Chromatography
- Public Speaking
- Critical thinking

## Related Experience

---

- Chemistry Tutor
- Maintain laboratory equipment and troubleshoot manufacturing issues in a timely manner to keep tools functioning properly
- Conducted both qualitative and quantitative analyses
