DR. **SOHAIL AHMAD**

GENERAL PHYSICIAN

OBJECTIVE

Highly experienced in managing both emergency and nonemergency situations, besides stabilizing critically sick patients. Up-to-date and evidence-based knowledge of medicine effective critical and analytical thinking skills, quick decision-making, and problem-solving skills under high-pressure emergencies. Exceptional practical skills in performing simple and complex bedside procedures. The ability to deal with emergency patients of all age groups, efficiently ability to work long, and maintain composure even under extreme pressure leadership and management skills communication skills, compassion, and a good bedside manner drive me to continue learning throughout my professional career.
