## ● WORK EXPERIENCE

---

16 JUN 2021 – CURRENT Orakzai, Pakistan

**MEDICAL OFFICER AT RHC (RURAL HEALTH CENTRE) HEALTH DEPARTMENT KHYBER PAKHTOONKHWA**

---

As a Medical Officer at RHC Kurez, main duties and responsibilities include:

- 1. Patient Care:** Provide comprehensive medical care to patients, including diagnosis, treatment, and follow-up.
- 2. Hospital Management:** Oversee the daily operations of the hospital, ensuring efficient functioning of all departments.
- 3. Staff Management:** Supervise and coordinate the activities of medical and non-medical staff, including recruitment, training, and performance evaluations.
- 4. Policy Implementation:** Ensure adherence to healthcare policies, protocols, and standards to maintain quality of care.
- 5. Data Collection and Analysis:** As the UPEC chairman for polio campaigns, collect and analyze data related to vaccine-preventable diseases, ensuring accurate reporting and documentation.
- 6. Community Health Initiatives:** Lead community health programs, including vaccination campaigns, health education, and outreach activities.
- 7. Emergency Response:** Manage emergency situations effectively, coordinating with local health authorities and emergency services (Rescue 1122).
- 8. Collaboration:** Work with other healthcare professionals, local government, and NGOs to enhance community health services and programs.
- 9. Continuous Education:** Stay updated on medical advancements and participate in training sessions and workshops to improve clinical skills.
- 10. Reporting:** Prepare regular reports on hospital performance, patient outcomes, and public health data to share with relevant authorities.

These responsibilities ensure the effective management of the health facility and the promotion of public health initiatives within the community.

31 AUG 2020 – 20 MAY 2021 Jhelum, Pakistan

**MEDICAL OFFICER AT SARMAH HOSPITAL DR HAFEEZ UR REHMAN**

---

As a Medical Officer at Sarmad Hospital, main duties and responsibilities included:

- 1. Patient Management:** Diagnose and treat COVID-19 patients, providing ongoing care and monitoring for complications.
- 2. Emergency Care:** Attend to emergency cases, providing immediate medical interventions as needed.
- 3. Outpatient Services:** Work in the outpatient department (OPD), conducting consultations, examinations, and follow-ups for various medical conditions.
- 4. Night Shift Supervision:** Oversee hospital operations during night shifts, ensuring patient safety and staff adherence to protocols.

**5. Infection Control:** Implement and enforce infection prevention measures to protect patients and staff during the COVID-19 pandemic.

**6. Coordination:** Collaborate with nursing staff and other healthcare professionals to ensure comprehensive patient care.

**7. Data Collection and Reporting:** Maintain accurate records of patient treatments and outcomes, including COVID-19 statistics for reporting purposes.

**8. Patient Education:** Educate patients and their families about COVID-19 management, preventive measures, and follow-up care.

**9. Emergency Preparedness:** Prepare and respond to emergencies, including surge planning for COVID-19 cases.

**10. Continuous Learning:** Stay informed about the latest COVID-19 guidelines, treatments, and vaccination protocols.

These responsibilities highlight my critical role in managing patient care during a challenging time while ensuring the smooth operation of the hospital.

1 NOV 2019 – 30 AUG 2020 Islamabad, Pakistan

### **MEDICAL OFFICER AT CURE MEDICAL CENTRE IQRAR HUSSAIN**

---

As a Medical Officer at Cure Medical Centre, my main duties and responsibilities included:

**1. Patient Care:** Conduct assessments, diagnose conditions, and provide treatment in both the outpatient department (OPD) and emergency settings.

**2. Emergency Response:** Manage acute medical emergencies, providing immediate interventions and stabilizing patients.

**3. Consultations:** Perform thorough examinations and consultations in the OPD, addressing various health concerns and formulating treatment plans.

**4. Record Keeping:** Maintain accurate patient records, documenting assessments, treatments, and follow-up care.

**5. Collaboration:** Work closely with nursing staff and other healthcare professionals to ensure coordinated patient care.

**6. Patient Education:** Provide guidance to patients on health management, preventive care, and treatment options.

These responsibilities reflect my vital role in delivering quality medical care at the centre.

## ● RECOMMENDATIONS

---

**Dr Adnan Khan** District Health Officer

---

I am pleased to recommend Dr Noor ibrahim, who has worked under my supervision as a Medical Officer for the past three years. During this time, he has consistently demonstrated exceptional professionalism and dedication to his work.

1. Clinical Expertise
2. Leadership
3. Communication Skills
4. Commitment to Community Health
5. Team Collaboration

I highly recommend Dr Noor ibrahim for any future opportunities, confident that he will continue to excel in his medical career.

Sincerely,

**Email** [dhooakzai786@gmail.com](mailto:dhooakzai786@gmail.com) | **Phone** (+92) 3333888897

**Dr Ayesha Babar Kawish** Supervisor and HOD

---

I am pleased to recommend Dr Noor ibrahim, who has been under my supervision during his thesis work. As the Head of Department, I have closely observed his academic performance and dedication.

1. Research Skills: Dr Noor ibrahim demonstrated exceptional research capabilities, effectively analyzing data and drawing insightful conclusions relevant to public health.
2. Critical Thinking: He showcased strong analytical skills, critically evaluating existing literature and contributing original ideas to the field.
3. Commitment to Excellence: Dr Noor ibrahim consistently met deadlines and maintained high standards throughout the thesis process, reflecting a strong work ethic and attention to detail.

4. Collaboration : He worked well with peers, demonstrating excellent teamwork and communication skills during group projects and discussions.

5. Passion for Public Health: He also exhibited a genuine commitment to improving community health outcomes, which was evident in [his/her/their] research focus.

I highly recommend [Your Name] for any future academic or professional pursuits, confident in his abilities and dedication.

Sincerely
