Nationality: Pakistani ✉ Email address: waleedkhan@aup.edu.pk

Date of birth: 07/08/1999

Gender: Male

Passport: FV4151781

☎ Phone: (+92) 315-9813027

📱 Whatsapp: (+92) 347-9263026

📍 Address: Kalukhan, 23410, Swabi, Pakistan

OBJECTIVE

Looking for exciting opportunities related to my field of interest where I can utilize and explore my strength to positively contribute to the team/ organization.

WORK EXPERIENCE

Field Data Enumerator (September-2022 to October-2022)

CABI Plant wise Plus

Main activities: Worked as a Field Data Enumerator with CABI Plant wise Plus entitled “*Facilitated in the data collection of consumer survey to evaluate the food safety, attitudes and concerns among farmers, Trades and consumers in Pakistan*” in the collaboration with the University of Agriculture Faisalabad (UAF). During the survey, I collected data from farmers and Householders and arrange different meetings and seminars with farming and householder communities.

Research Associate (September-2022 to September-2023)

Department of Agronomy, the University of Agriculture Peshawar

Main activities: Worked as a Research Associate in ADP project entitled “*Development of onion and tomato pockets areas in district Mohmand and Bajaur*”. During the project, I explored my potential by planning different research trials, data collection and its analysis, interpretation and report writing.
