03490885842

Nowshera, Pakistan

## EDUCATION

### Software Engineering COMSATS University Islamabad , Abbottabad Campus

09/2019 - 08/2023

CGPA: 3.45/4.0

#### Courses

- |                                |                                  |
|--------------------------------|----------------------------------|
| - Software Engineering         | - Software Design & Architecture |
| - Networking/Database          | - operating System               |
| - Introduction to Data Science | - Programming Fundamentals       |

## PROJECTS

Automatic Attendance System base on Face Recognition using native dev (Final Year Project)

Online Air Reservation System using (HTML CSS BOOTSTRAP and PHP)

- Semester Project base on (HTML CSS BOOTSTRAP and PHP)

Software Design Projects (UML)

- Epilepsy Detection System
- Online Library Management System
- Automated Attendance System

Data Analytics Projects

- HR Analysis
- Hospital Domain
- Super store

## WORK EXPERIENCE

### Python Lecturer Shoukat Hayat Computer Academy(Evening shift)

11/2023 - 03/2024

Pirpia Nowshera

#### Responsibility

- Taught Python Programming at DIT part 1

## SKILLS

MySQL

Excel Expert

Power BI

Data Modelling

Data analysis

Python

Oracle Schema

Requirement Analyst

C++

C

OOP

Programing Fundamentals

Tech IT support

Software Architec

HTML/CSS/PHP

SQA Manual

UML

Linux

## ACHIEVEMENTS

PM Youth Laptop Scheme

Honored with the PM Youth Laptop Scheme

## TRAINING

Data Analytics Training (DECODE Project At NIC) Peshawar collaborative by SEED (01/2024 - 03/2024)

Two months Training in Data analytics

Data Science & AI (Virtual Training Upskill Khyber Pakhtunkhwa Program of Atomcamp Bootcamp)collaborated by SEED (02/2024 - Present)

Data Science & AI (Virtual Training Upskill Khyber Pakhtunkhwa Program) Training by atomcamp bootcamp collaborated by SEED

## CERTIFICATES

Data Analytics Programme offered by Google Scholarship on Coursera(Continue)

Technical IT Support Fundamentals by Coursera

Bits/bytes of Networking by Coursera

Creative Entrepreneurship Development Outreach in KP-100 (A project of US Consulate Peshawar &NEEF)

Game development by KPIT Board

## LANGUAGES

Pushto, Urdu ,English

Full Professional Proficiency

## INTERESTS

Data Science

AI & ML

Software Engineering
