Dear Mr. Zahoor Ahmad,

This letter covers the conditions of your association with the FAO as "Enumerator" on casual labor basis for **50 day on WAE basis (work-on-actual basis) from August 22, 2024 to October 25, 2024, at PKR 5,000/day, duty station-Nushki.**

During your association with this office/project you will not be considered, in any way, to be a staff member of the Food and Agriculture Organization of the United Nations and will not be entitled to any benefit, entitlement, payment, subsidy or compensation except as expressly provided for in this letter.

During this period, you will be covered under the Medical Insurance/Compensation Plan for Non-Staff Persons associated with the Organization (MCNS); for medical expenses resulting only from service-incurred accident or illness, and for compensation for death and disablement, which may arise from such service-incurred accident or illness.

Your status as casual labourer can be terminated by either party by giving one day(s) notice in writing. In the event this agreement is terminated before its expiration date, you will be paid on a pro-rata basis for the actual number of days worked.

Any dispute arising out of the terms of this agreement shall be submitted to arbitration. Each party shall appoint one arbitrator and the two arbitrators so appointed shall appoint a third who shall act as Chairman. In the event that the two arbitrators appointed by the parties to the dispute should fail to reach agreement on the appointment of the third arbitrator within 30 days, either party may request the Independent Chairman of the FAO Council to appoint a third arbitrator. The parties agree that any decision rendered by the arbitrators shall be accepted as the final adjudication of the dispute.

I hereby accept the conditions as casual labourer as specified above.
