Subject: informative note
Sir,

It is stated for your kind information that I am facing bone fracture in my hand due to an accident taken place on the road when I was returning home from my field work yesterday. I have taken the first medical aid in lachi private clinic and was referred to kohat hospital for further treatment where arthopedic surgen advice a

surgery of my hand after two weeks. It that time I was unable to inform the venerated authority. Kindly accept my informative note to avoid any misunderstanding.

Thanking in advance

Regards

Salman Rasheed
