Withdrawal of Accidental Insurance Claim

Dear Zara Karwal,

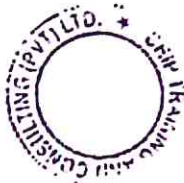

This refers to your accidental incident dated Oct 5, 2023, with the insurance claim reported to Chip Training & Consulting (Pvt.) Ltd. on Aug 28, 2024.

According to company policy, employees are entitled to death and accidental insurance, which must be claimed within six (6) months for death cases and three (3) months for accidents from the date of the incident. Otherwise, the employer will not be liable to settle the claims.

Failure to submit the claim within the stipulated time will be considered as your decision not to pursue the case, and the insurance claim will be withdrawn.

Since your insurance claim was submitted beyond the three-month period stipulated for accidental incidents, we are unable to process your claim under the policy.

Yours Sincerely,

HR Department
