Subject: Accidental leave and claim for accidental insurance.

Here it is stated that on monday 23 Sep 2024 i was going towards post campaign review meeting and meanwhile i did accident between home and TSC.

My right shoulder fractured there. Dr recommended 4 weeks rest for recovery but if not recovered then operation will be necessary.

That's why grant me leave for only 10 days, from 30 sep 2024 till 9 Oct 2024.

My treatment is going on, i will provide my treatment bills after recovery for the accidental insurance claim.

Dr report, x.ray, accidented car pics are attached below.
