Dear Colleagues

Inna lillahi wa inna ilayhi raji'un.

I'm deeply sorry to hear about this tragic event affecting the family. Such losses are difficult to bear, regardless of the relationship.

I kindly request the Peshawar team to provide the necessary documentation to facilitate timely disbursement of the insurance money.

Please coordinate effectively to ensure this is handled promptly. I will also reach out to the CTC colleagues to streamline the process and ensure a quick disbursement of the funds to help the family. Hope the ceremony must be well coordinated so that the District Mangement must be aware and there to hand over the money to the bereaved family.

**Best Regards**
