Dear Sir/Madam,

I hope this email finds you well. Unfortunately, I am writing to inform you that I was involved in a road accident on my way back from the DEOC meeting, on 22 Oct 2024 where I was accompanying my colleagues.

Regrettably, I sustained injuries, including a fractured hand, and was rushed to the nearest hospital, Baqai Hospital, for initial treatment. Subsequently, I was referred to Dow Hospital for further treatment, where I underwent surgery and am currently recovering.

In light of the medical expenses incurred, I kindly request that my health insurance coverage be utilized to reimburse the costs associated with my treatment. I would greatly appreciate it if you could facilitate this process and ensure that my medical expenses are covered.

Here I am attaching my Medical Bills and Documents.

Please let me know if there are any additional steps or documentation required from my end. I am grateful for your support and assistance during this challenging time.

Thank you for your prompt attention to this matter.

Best regards,

Muhammad Qasim
