Dear concern,

I beg to say to your attention a road accident that occurred during with polio worker (Yasmeen Zahra) CNIC 42101-7356654-0 working hours on 2 feb 2024. Her was involved in a bike accident Ride to UC-26 Al Noor society block 19 near TSC gulberg town. Her sustained injuries as a result of the accident and received medical attention at Mamji hospital block 17 gulberg town.

I have attached a copy of the medical report detailing the injuries Her sustained and the treatment I received. The report outlines the extent of his injuries and the recommended course of action for her recovery. I have also included a slip of the documenting the details of the accident.

I understand as UC level staff the importance of reporting workplace accident and

I want to ensure that all necessary steps are taken to address this situation. I would appreciate your guidance on the next steps to take in terms of reporting the incident to the relevant authority and seeking compensation for the medical expenses and time off work as a result of the accident.

I look forward to your prompt attention to this matter.

Sincerely,  
CBO Muhammad Qasim khan
