Dear Mr. Abdul Ghaffar,

With reference to below placed email regarding accidental insurance . you still did not share your medical documents and filled form which CTC already shared with you.

CTC has already gave you several reminders and intimation to share your document and enough time but you still not submit any documents or any reply.

So CTC is going to close your insurance case and considered that you are not interested/want insurance.

Dear Dr. Noora,

the above mentioned email is for your kind information and further sharing.

If you need any further information regarding the same, please let us know.
