Dear Sir / Madam

Iam writing this email to inform you about the road accident happened with CHW Anum on Campaign day 6 dated 3rd March. She was coming to TSC in morning with her brother on Motorbike and got hit by the Hi-Roof at Hospital Chorangi.

She was taken to Jinnah hospital in an ambulance on immediate basis and had severe injury on arm, head and back. Her arm got fractured. Relevant medical tests were done there. After one day admitted in Jinnah hospital and under observation of doctors she got discharged and now being medically treated at Bukhari hospital. Doctors recommended complete bed rest to her due to which she is on leave from 3rd March to till today.

It turned out to be heavy medical expense for her. For reference iam attaching medical documents. It would be great if you consider this case and approve the insurance claim at earliest.

Looking forward for your response.

Thankyou
