Subject: [EXT] Complaint against harassment and non locality

Dear mada Zehra Abid

It is being stated with utmost respect that UCPO Rashid Afridi F/Name Shamal Khan of district khyber tehsil Bara Jan Baz: B who treats his workers very poorly and his behaviour is biased towards workers and he mentally harassed the workers furthermore he is non-local. He is residing in jamrud tehsil Shakes Union Council Shakes: B Area 8 Bara Road Malik Taj Pump Noor Sharif Madrassa since 2013. Most areas of UC:Jan Baz-B Bara Khyber are G3 that are located far away in the out skirt of UC. Due to which all the workers perform their duties with great difficulties. Due to this non-local UCPO, the ongoing efforts against polio in UC Jan Baz: B Bara Khyber have been severely damaged and even he does not visit to some far area of his UC and he collects fake clusters and telephonic coverage. We have a voice call recording of him taking fake cluster
I tried to reach to TDO of tehsil BARA district khyber KPK but he blocked me due to nepotism and cronyism
It is a humble request for transparent inquiry

Thanking you in anticipation

Regard

PhD Dr Muhammad Rafiq

Area supervisor of district KHYBER tehsil Bara UC UC janbaz B
