UC Communication Officer

Subject. Report against the Non Professional and Unethical Behavior of the UCPO

Dear and Respected Sir

It is hereby stated that as you know an evening meeting was called by the UCPO at 4:00 PM at CD Latifabad. As usually we followed his orders and reached to CD Latifabad at 4:00 PM. and started waiting for the Evening meeting up to 5:00 o'clock as we waited in previous campaigns. But there was no meeting done with us by UCPO.

In this regard we went to the UCPO and asked that when will be the meeting get started. He replied that the meeting has been done and there was no need of you people to participate in the meeting. Then Sheraz went away and replied that it means you're just trying to torture us; because Sohaib along with us were waiting in the EPI Room for meeting and if there is no need to participate in the meeting of ALSMs then from tomorrow we will not come to the CD for the evening meeting and as he was crossing the main Gate, due to talking to the UCPO he slipped with gate and fell down.

After that the UCPO thought that Sheraz kicked the Gate, he became angry and asked you to give me a written statement against Sheraz that why he kicked the Gate. In this connection I requested the UCPO that Sir be cool Sheraz was right as there was no meeting done. Then he replied to me in anger that I am talking to the UCCO, you must keep quiet because you are the real Bastard ( Tol Harametob sta day). Then I replied that this is not a professional Behaviour and Words. After that he turned and tried to attack on me for two times.

Therefore it is reported that we have became fed up and cannot tolerate his non professional and unethical behaviour anymore because this is not for the first time.

It is therefore requested to kindly report the issue to the High-ups to take a strict action against the non professional Behaviour of the UCPO.

Best Regards  
Hameed Ullah
