Subject: [EXT] Feedback on of Shahi Bala complaint.

Dear Dr. Naveed and Dr. Saifullah,

This is to bring into your consideration that we visited UC Shahi Bala today to investigate the complaint lodged . Further we investigated and no harassment related issues were found. We also came to know that no rent is been taken from the staff at the UC, in fact the rent was willingly & wholly paid by the UPEC chairman UC Shahi Bala in order to facilitate his staff at the UC (written statement of UPEC Chairman attached as Annexure). We investigated 15 female staff at the UC and found that all the allegations were baseless, written statements from the females were collected (Annexures can be provided upon request). To continue further the complaint was lodged by a female named Ms. Ayesha but we could not find any female under this name. The UPEC Chairman Dr. Mir Karim Shah also mentioned that the performance of UCPO and UCDO was up to the par and all the staff at the UC were striving hard to accomplish the desired goals. All the female staff in their written statements mentioned that there were no issues at the UC and that everyone goes an extra mile in order to maintain a one team approach. Therefore we request the closure of this case . we don't have any further recommendations in this regard.
