Respected inquiry Team

its stated that a issue was  
Raised regarding refusals  
increase in the previous SNID June  
in Area 2 and Area 3.

According to the statement of concern  
AS, CHUs & HTMs that FSV Zakir & nepo  
unit waseem are involve against  
anti polio-vaccination in the community  
that this time vaccine are not good  
for childrens, its Type 2 vaccine  
which is not good for childrens  
through this propagation our refusals  
increase 40 to 50 in that area  
in all this propagation zakir is  
the main character.
