Dear Sir/Ma'am

It is stated that I'm going to inform you that I have been working here at UC Hassan Grahi #1 as a UCCO since last 2 year's but when my new ALSM Shoaib join the programme some issues take place. where my UCPO Nadeem Khan one day said to me I heard something about you I ask what you heard he said to me you have an affair with CHW Nusrat. Meanwhile I shocked and ask him about that who said that in reply he said don't worry I resolved the issue. After a few day's campaign has been started and here in civil dispensary renovation is started so due to that reason I ask from my ALSM Shoaib we don't have a proper place to sit and complete post campaign work. Why not go to your place and complete the task. We go there and complete the task till the dispensary renovation we do the same practice. One day my ALSM said to me Sir ~~we~~ next time we don't go to our house I asked him why in reply he said to me UCPO Nadeem said to AS Salma and CHW Zainab why UCCO Waseem came to your house and said that he just come for the CHW Zainab.

At that time I'm very angry and said to ALSH
Shoaib what you said to her he said to
I told her that he come to my house just for the
sake of to complete the official work.

As I write before that case which is now
continue . I talk about the previous
I write in both situation where they blame
me for that Waseem have affair with ethwas
and Zainab. I ~~feel~~ feel not good but I'm silent
because of honor. We are living in a male domineer
dominant society and people are kill for the honor
and honor killing is the reason that's why I keep
silent because I don't want any kind of issue. sort
of this kind. I am engaged and after a few
month's later I will be get in to marriage.
So these for I humbly request you to
take action against these people who blame
and try to destroy the houses.

Our UCPO Nadeem openly said that if
some one goes against me I will take
this as my personal issue and until
never leave them to take my revenge. The
revenge will be termination.

He has issues with ALSH Shoaib and he
said to him I will terminate you. I asked
him why he said to me his dressing
is not proper and he is very weak in
communication. I said to him I try to give
him time to learn and his dressing proper
according to the SOP's.
