Subject: Dual Job persons both in WHO and CTC

with great respect it is stated that i am educated person and i have no job because many jobs are occupied by polio personals they are doing jobs in govt dept and also in polio.

so how will we get jobs

1: **Muhammad Awais** working as a lab assistant in Govt degree college wana BPS 16 and also working with etc as project officer is it fair ?

2: **Molvi Mehmood** PSTF with WHO has a job As Arabic teacher in Wana Education dept you can

verify it from the said dept officialy they are doing jobs for a long time with a settelment with the local officers there and they give bribes to them for not taking actions against them

AS, CHW, are directly terminated while found convicted why not them and many others

3: Ghazi Rehman UCPO Summerbagh is doing his MPH with His Job from Abdul wali khan university is it possible

4: Mr Khan Muhammad Area Supervisor Zalwani working with Sami Pharmaceuticals i wana and many more thats why polio program is not achieving its target kindly take strict actions so some poor persons like me will get job
